

THE GREAT REVERSAL

Words and Music © Nicky Chiswell 2007

This theme is through the whole of Luke's gospel, e.g. Luke 1:46 ff; Luke 18:14.

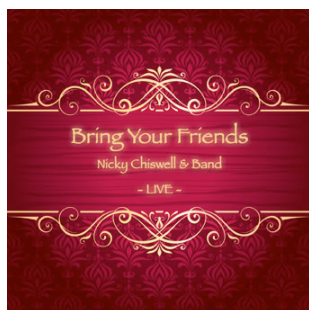

I have seen the rich grow hungry
I've seen kings brought to their knees
I have seen the little children
Told the kingdom belongs to ones like these

I have seen the wise made foolish
I have seen the mighty flee
I have seen the humble lifted up
And the prisoner set free

*Ooh... the forgotten will be remembered
Ooh... the unnoticed will be seen
Ooh... don't be fooled by how things look now
Things are not as they seem*

And the King became a servant
From the greatest to the least
And he gave his life our ransom
So that we could be released

And the Son of God rose up now
And before him all will kneel
So don't be fooled by how things look now
'Cause things are not as they seem
