

# TOO RADICAL

Words and Music © Nicky Chiswell 1992

*See Luke 18:18-30.*

My hesitations and my fears are stalking me  
Don't wanna be strong colours  
I want to keep it nice and grey  
But this man cuts me to the bone  
Changes the way I see  
And if he's right he's right  
I know there is no other way  
But it's just

*Too radical...*

Well I know the commandments  
And he knows I know them too  
He said to follow him there was  
One more thing I should do  
Give away my riches – they'll go rusty in the end  
But I have worked so hard  
And comfort is my closest friend  
And it's just

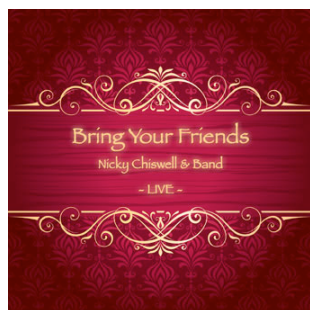

*Too radical...*

If he's the Son of God I don't know why I am afraid  
Maker of the universe could give me all I'd ever need  
But giving up the money isn't all that it would take  
My sensible, feet-on-the-ground reputation is at stake  
Oh it's just

*Too radical...*

I know he wants me with him – I can see it in his eyes  
He's just so full of truth and love without one compromise  
But that's the thing that scares me  
Just don't know what I want  
And he said it's all or nothing  
You either follow or you don't

*Too radical...*
